Table D.1.1-D.1.2 Estimates on area, yield and production of major crops for 2006/2007 - 2007/08 main and 2006/07 – 2007/08 Belg seasons are based on the results of the crop production surveys conducted by Central Statistical Agency..

The production and area figures are for private peasant holdings for main and belg seasons.

The 2006/07-2007/08 Data on sugar cane were obtained from Metehara, Fincha and Wenji sugar factories.
